

Testing Notes:

Jira query : project = MPAY AND type = Bug and status = Closed

mpay 397 Funding account numbers. no longer a user input in the pay form
by that I mean it's a user Pick from drop down.

MPAY 396

pay amount Leading zeros is ok....

payee act num is now a pick, sort code ?, pay amount scientific notation no longer works.

MPAY 396

end.
