ToDo_General

2/4/16 I need a tips and tricks place to make entries
for now will be in a general loc and will need to get moved….

Properly organize DotFiles __ All Unix Configs 2/9/16 mostly done

Get all music off old phone

What are all the URL Apps that were sent to me by Aditi staffing.   What are
they for.

+++ Personal above this line

2/17/16 Need to go back over 306 : Max Daily by client ID
There are two tests that weren't run, and I didn't run the others that were
passes.
This fell on last Friday.

2/17/16 Eric: test infrastructure process : EXECUTION SETUP

Build environment like Dave's 2/9/16 Back some time ago THEY said not to.
Get Mac Slack App Done 1/21/16

1/21/16 Do tickets 806, 107, 807 in that order
1/14/16 IntelliJ installed
1/13/16 Win7 VMs for IE 9, 10, 11 installed
1/11/16 Worked MPAY-817 (my entry)

Start on the entire list of tickets / stories in Sprint 12 2/9/16 completed some
time back

1/13/16 — Not Done: Refactor this list.

Should be:
Not Done

Done

…………………….. (dot dot dot means current/today)
